### **Countdown Is On to Country Summer Music Festival** *June 3 to 5 Country Music Event Features 14 Top Performers*

SANTA ROSA, Calif. – In its third year, Country Summer, Northern California's biggest country music festival, is June 3 to 5 at Sonoma County Event Center at the Fairgrounds, 1350 Bennett Valley Road.

Headliners on the Chevy Silverado main stage are two megastar hit-making country music trios and a renowned platinum-selling artist -- [Lady Antebellum](#) on June 3, [The Band Perry](#) on June 4 and [Billy Currington](#) on June 5.

On tour again this summer, Lady Antebellum earned rave reviews for its rendition of the national anthem at The Kentucky Derby on May 7. The band has achieved crossover success, superstar status and a multitude of awards, including "Vocal Group of the Year" honors from both the CMA and ACM three years in a row.

Back by popular demand, The Band Perry is the first repeat headliner in Country Summer's three year history. The band's colossal stage presence, strong vocals and contemporary country music style was a great success in 2015, and the siblings will back in the Saturday night spotlight this year.

It's apropos for famously laid-back, warm weather aficionado Billy Currington to perform at Country Summer. *Summer Forever*, released in 2015, is his sixth studio album. "Summer Forever for me represents a positive, happy good time lifestyle, and that's what I want fans to feel," he said.

Other artists include [Craig Morgan](#), [Chris Janson](#), [Chase Bryant](#) and [Casey Barnes](#) winner of the Fender Contender Challenge, on June 3; [Kip Moore](#), [Chase Rice](#), [Kristian Bush](#) of Sugarland and [McKenna Faith](#) on June 4; and [Josh Turner](#), [Frankie Ballard](#) and [Old Dominion](#) on June 5.

Country Summer fans are coming from 35 states and four foreign countries this year. Last year, more than 38,500 Bud Light beers were poured, validating the event's reputation as country music destination party. There's also the Kendall-Jackson Wine Garden, Jack Daniel's Saloon, Tito's Handmade Vodka stations and a variety of great food – from quintessential deep-fried county fair favorites to more sophisticated, organic cuisine.

The music never stops. Between acts on the Chevy Silverado main stage, American Stone, American Honey and Ryan Scripps will keep concert-goers entertained with performances on the Santa Rosa Stage. While country music artists are the main attraction, great festivals are more than great music.

Gates open at noon. Music begins at 1:30 p.m. each day of the Country Summer festival.

General admission tickets are \$79 per day. Single-day reserved seats start from \$99.
