### **Country Summer Music Festival Postponed Again Until 2022**

*-- Dates Are Set June 17-19, 2022 at Sonoma County Fairgrounds --*

SANTA ROSA, Calif. – [Country Summer](#), Northern California's biggest country music festival and Sonoma County's biggest party, has been postponed again until June 17 to 19, 2022.

According to festival producers, the decision to postpone until 2022 was due to continued uncertainty surrounding COVID-19 and live event guidance from local and state officials. There's doubt whether mass gatherings attracting thousands of fans from across the nation, such as Country Summer, will be allowed this year.

The Country Summer team is working on the 2022 entertainment lineup, which will be announced as soon as it is finalized.

Country Summer, held at the Sonoma County Fairgrounds, features more than 20 performers on two stages. Fourteen nationally known country music stars perform on the main stage. Popular up-and-coming artists perform on the second stage between main acts.

In 2019, Country Summer attracted more than 30,000 fans representing five countries. Saturday, headlining Tim McGraw on June 15, was a sell-out and the biggest music event in Sonoma County history.

#### **Tickets**

Current ticketholders will automatically have their existing tickets/seats rolled over to the 2022 dates. Once the 2022 entertainment lineup is announced, ticketholders will have an opportunity for exchanges and refunds.
